

Cover Profile 8 R80 Al, natural | 3000 mm bar

Product number PI-1551 SN3000
Weight 0.19kg
Length 3000mm

Product description

The cover profile R in round design is used to create a visually particularly appealing construction. This assembly principle allows the subsequent covering of all visible profile side surfaces. The fastening is done with clip St, galvanised-8.

Delivery length 3000 mm
