

Castor D80 swivel, bright zinc-plated

Product number ZB-3445

Weight 0.439kg

Product description

Steering and buck rollers are used on assemblies and handles of all kinds. They have a very good unwinding behavior and are highly resilient. The rollers are resistant to many environmental influences. Especially for use in electrical production, many rollers are also supplied in ESD version. The leak resistance of the ESD version is 110 ohms.

Product properties

Roll type Swivel castor

Mounting type Back hole

Compatible with Bosch

Part type Apparatus castors

Roller diameter Ø 80 mm

Series Series 60-10, Series 45-10, Series 50-10, Series 40-10, Series 30 8, Series 20-6

Load capacity 100 kg

Material Galvanized steel
