Datasheet for System trolley for Euro containers 80 x 60 H 134 cm tiltable | 3 x tilting shelf, 1 x rigid shelf, for 4 x EG 86/22, without Euro container
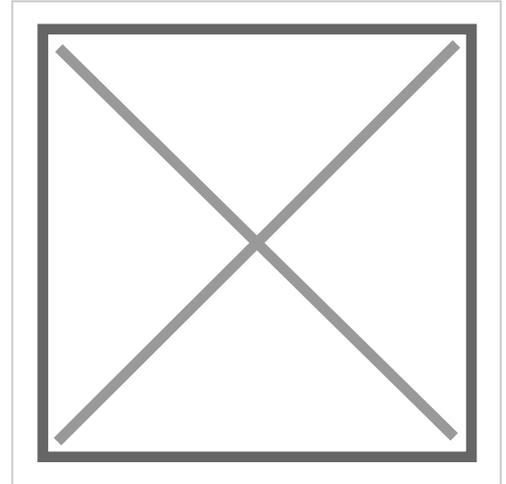

# System trolley for Euro containers 80 x 60 H 134 cm tiltable | 3 x tilting shelf, 1 x rigid shelf, for 4 x EG 86/22, without Euro container

**Product number**   1014922

## Product description

**Discover Our Tiltable System Cart for Euro Containers (80 x 60 x 134 cm) – The Perfect Solution for Efficient Storage and Transport**

With a **height of 134 cm** and **tiltable shelves**, this cart ensures optimal comfort and clear organization in your workspace.

**Key Features:**

- **Tiltable Shelves:** Three tiltable and one fixed level allow easy access to Euro containers, improving workplace ergonomics.
- **Sturdy Construction:** Made from durable aluminum profiles, ensuring high load capacity and long-term reliability.
- **Space-Saving Design: 80 x 60 cm** dimensions enable efficient use of space, even in compact storage areas.
- **Smooth-Running Wheels:** Lockable wheels provide mobility and stability, making the cart highly flexible.

**Competitive Advantage:**

Compared to similar products from our competitors, we offer **equal quality at a more attractive price**. Our **system cart** is available at a **competitive price** without compromising on quality or functionality.

**Optimize your warehouse logistics** with our **tiltable system cart for Euro containers** and benefit from a **cost-effective solution** that delivers on **quality and performance**.
