

System trolley for Euro containers 60 x 40 H 200 cm without pull-out | 7 x shelf, for 6 x EG 64/12, including Euro container

Product number 1015116

Weight 95.5kg

Product description

Discover Our System Cart for Euro Containers (60 x 40 x 200 cm) Without Extension – The Ideal Solution for Efficient Storage and Transport

With a height of 200 cm and a sturdy construction, this cart provides optimal support for your logistics requirements.

Key Features:

- **Sturdy Construction:** Made from high-quality aluminum profiles, ensuring durability and reliability in daily use.
- **Space-Saving Design:** The 60 x 40 cm dimensions allow for efficient space utilization, ideal for compact storage areas.
- **Secure Hold:** A shelf with a surrounding edge keeps containers securely in place, preventing movement during transport.
- **Dual-Sided Access:** Convenient access to container contents from both sides, streamlining workflow efficiency.
- **Smooth-Running Wheels:** Lockable wheels ensure both mobility and stability, making the cart highly versatile.

Get our system cart at a competitive price.

Optimize your warehouse logistics with our Euro container system cart and benefit from a cost-effective solution without compromising quality and functionality.
