

Clamp-Block Spacer 8 2mm, black

Klemmblock Distanzstück 8 2mm, schwarz kaufen ☐ Jetzt sparen in unserem Onlineshop ☐ !

Product number ZI-1170

Weight 0.001kg

Product description

Clamping blocks allow a safe and stable attachment of various wrinkle elements to constructions. These can subsequently be used in assemblies. By turning into the profile groove, the position can be freely selected. Due to attachable spacers, different material thicknesses can be used.
