Product number ZI-4090

Weight 0.003kg

Product description

Multiblocks enable secure and stable fastening of various panel elements to constructions. These can be used subsequently in assemblies. The position can be freely selected by turning in the profile groove. Different material thicknesses can be used thanks to the reversible and rotatable spacer body.

Product properties

Force max. Fmax. = 100 N

Compatible with item

Colour black

Thread M4

Material PA-GF

Part type Multi block

Series Series 5
