Datasheet for **System trolley for Euro containers 80 x 60 H 200 cm without pull-out | 3 x shelf, for 2 x EG 86/52, including Euro container**

System trolley for Euro containers 80 x 60 H 200 cm without pull-out | 3 x shelf, for 2 x EG 86/52, including Euro container

Product number	1015133
Weight	81.2kg

Product description

Discover Our High-Quality System Cart for Euro Containers (80 x 60 x 200 cm) Without Extension

The ideal solution for efficient storage and transportation of your Euro containers. With an impressive height of **200 cm** and a robust construction, this cart provides optimal support for your logistics needs.

Key Features:

- **Sturdy Construction:** Made from high-quality materials to ensure durability and reliability in daily use.
- **Space-Saving Design:** The **80 x 60 cm** dimensions allow for efficient space utilization, ideal for compact storage areas.
- **Compatibility:** Perfectly designed for standardized Euro containers, making transportation and storage effortless.
- **Without Extension:** The fixed-shelf design offers simple handling and reduces maintenance efforts.

Compared to similar products from **AUER Packaging**, we offer the same high quality at a more attractive price. Benefit from our cost-effective solution without compromising performance.

Optimize your warehouse logistics with our **Euro container system cart** and experience a **perfect balance of functionality, quality, and cost-efficiency**.

Product properties

Size	System trolley for Euro containers 80x60 Height 200 cm
